2011 World Missions Seminar

We had a great World Missions Seminar this year! The music was excellent, the preaching was powerful, and the teaching was both biblical and practical. Lives were changed, relationships were salvaged, commitments were renewed and, I believe, God was glorified.

Feedback

"We are very grateful to Faith, Lynn and Brenda Raburn, and all those who have taught us in this first week of the Seminar. They have been very long days, but the training and preaching have been life changing. I would ask that any missionary, pastor of a sending church for a missionary, mission treasurer, mission committee members, and even members of churches that want to grow in their mission mindedness attend this seminar."

"Thank You! The World Missions Seminar was one of the best moments of my spiritual life. It truly was more than a seminar. [It was] A revival and a great time of fellowship. The music portion of the meeting [was] simply amazing. I already have next year chiseled in stone."

Thank You!

To our Sending Church for being such a wonderful host.

To all the volunteers, especially those who served every day of the two weeks.

To the speakers. What a blessing you were to all of us.

To the 14 churches and one school that co-hosted the seminar. We couldn't have done it with you!
